

Cross Sectorial Exchange Project

CRITICAL THINKING

Erasmus+ Virtual Exchange

This 4 week project is based around the general theme of critical thinking.

During each of the four weeks, the students will be sent access to the TED-ED content.

This content includes a video, a quiz based on the video, and reflection.

- Week one: Why do people fear the wrong things?
- Week two: Managing Conflicts
- Week three: Critical Thinking
- Week four: Why it's so hard to make healthy decisions

Each week, there will also be an 1.5 hours Online Facilitated Dialogue session based around that week's topic/theme.

Participants must be 18-30 and connected to a school, university, Vocational Educational Centre or Youth Centre

Start date: 6th April 2020

End date: 1st May 2020
